April 25th - (9:00) Ride to the Races! Join us for opening day of the Loudon Road Racing Series at New Hampshire Motor Speedway. A short ride from Seacoast to breakfast at the Lion Café, great back roads romp to Loudon, followed by lunch in the Paddock, fantastic road racing, and another great ride home!

May 23rd - (10:00) Random Ride A romp on some recently discovered, and rarely ridden roads through central New Hampshire. This route was a surprise gem a few of us took at the end of last season!

June 20th - (8:30) Hurricane Mountain Road Back by popular demand! A favorite twisties ride, Evans Notch in the White Mountain National Forest in Maine, and the famous 'Kanc' all make this a perennial favorite! Weather and time permitting we might include Mt. Washington.

July 11th - (9:00) Curtis' Ribs Ride A pleasant romp through the best of the southwest New Hampshire scenic byways to Curtis' All American Barbecue Pit in Putney Vermont! After lunch we'll head off to some VT twisties before turning back toward home!

August 29th - (10:00) Lake Ride Nice loop to Wolfeboro for Lunch. Then around and about leading to Winona Road in Ashland and back to Manchvegas.

September 12th - (9:00) Lars Anderson European Motorcycle Lawn event! Lots of 'best of' vintage bikes and a really good time. I'll be trying to plot an interesting route that should get us to the museum by about 11:00! [More info here...!](#)

October 17th - Rain date Oct 24th (9:30) Covered Bridge and Trebuchet Ride At least one covered bridge...and a real, world champion Punkin Chunkin Trebuchet too....!

Tuesday Nights - On selected Tuesdays, meet up at Seacoast at 6:00 and head down to Lowell Bike night! Great chance to meet up with other Italian Motorcycle aficionados! And you don't have to own one to be one!!! (Check Seacoast website for weekly schedule! <http://www.seacoastsport.com/>) And <http://www.motorcyclenight.com/index.htm> for more details!
